Degenerate Elliptic Operators and Applications

International Conference in memory of Filippo Chiarenza

Catania, November 12th 2021

10:00 Greeting by the Head of DMI

10:15-11:15 Raul Serapioni
Regularity of solutions of degenerate elliptic and parabolic equations: a glance at vintage mathematics.

11:15-11:45 coffee break

11:45 - 12:45 Nicola Garofalo
Heat kernels for a class of evolution equations of hybrid type

Conclusion

Department of Mathematics and Computer Sciences - Lecture Hall

Organization: G. Di Fazio — M.S. Fanciullo — R.M. Pidatella — M.A. Ragusa — P. Zamboni
